

THE POINT REYES HIGHLIGHTS

- Greeting you upon arrival is a welcoming covered entry which directs you to the lovely foyer and the main living spaces beyond.
- This home boasts an alluring open-concept design which features a wonderful luxury outdoor living space that acts as an extension of the main living spaces, creating a radiant atmosphere for entertaining.
- A large center island with a breakfast bar, plenty of cabinet space, and an appealing walk-in pantry help to create the well-equipped kitchen.
- Enhancing the sensational master bedroom is a graceful coffered ceiling, expansive windows, a gorgeous master bath, and a sizable walk-in closet.
- Additional highlights include a spacious upper-level loft, a desirable first-floor bedroom, and a covered courtyard area to enjoy outdoor living from.
