SPANISH COLONIAL EXTERIOR DESIGN SHOWN

Second Floor

THE ASHMORE HIGHLIGHTS

- An inviting covered entry opens up to a radiant foyer that permits a clear line of sight towards the spacious dining room.
- This desirable open-design layout boasts several sunny window displays and unifies the main living spaces to create a visually stunning atmosphere that is great for hosting family and friends for any occasion.
- A large center island that incorporates a breakfast bar for informal dining is the heart of the exquisite kitchen.
- Completing the divine master bedroom is an elegant coffered ceiling, a large walk-in closet, and a spa-like master bath that showcases an impressive shower that includes drying area.
- Additional highlights include a first-floor bedroom, a wonderful centralized laundry room, and a well-proportioned bonus room.
